MEMORANDUM FOR: Chief, Contract Administration Section, CB/PD/OL
THROUGH: Chief, Support Staff, NPIC
SUBJECT: Contract [REDACTED] 25X1A
REFERENCE: Letter from [REDACTED] dated 13 March 1965 25X1A

1. Several items constituting additional work on the 3x - 12x Enlarger were discussed in the referenced letter. It is the opinion of the technical monitor that all contractual items as stated in the subject contract have been met and that the contract should be terminated.

2. All items, with the exception of one, referenced in the 13 March 1965 letter have been corrected by the contractor. The excepted item will be installed by the customer since it was not contractually covered and should not be a concern of the contractor.
